Dear Camper(s) and Parents/Guardians,

We are so excited to have you at Manidokan this year! We have received your Summer Camp registration, and this letter confirms that you are registered for Summer Camp at Manidokan! Below is information intended to help you and your child get ready for camp!

Mail

Mail can be sent to campers in care of Manidokan at: 1600 Harpers Ferry Road Knoxville MD 21758. We encourage parents, relatives and friends to send letters that convey interest in hearing about the camper's experience. These letters should be mailed early in the week to ensure delivery to campers. You may also leave letters with staff during check-in for distribution to your camper throughout the week. Please label your letters with your camper's full name. Please do not mail campers money or food items. Alternatively, parents may wish to send their campers one-way e-mails using: manidokan.camper@gmail.com In the subject, please type your camper's name, event name, and lodging location. Campers do not have access to computers to respond. *Please limit emails to one page with no graphics, pictures, or attachments.* E-mails will be printed once a day at 10 AM for daily distribution to campers.

Camper Check-in

Drive thru check-in will begin at 4 PM on the Sunday of your scheduled session. Staff will be positioned around camp to direct you through the flow of stations. Please do not arrive early as we will not begin check-in before 4 PM. **Mini Camp:** Campers attending this program will arrive Wednesday at 11 AM. Check-in will also be drive thru style.

Medications & Health Form

To provide the best possible care for our campers, the information on the ONLINE HEALTH FORM must be filled out completely and accurately. If you do not have access to the internet, please contact our registration office to plan for camp to receive medical information prior to camp. Campers with asthma, diabetes, or life-threatening allergies **will** be asked to share additional information in the form of an emergency plan like those at your child's school.

A doctor **MUST sign a medical authorization form** in order to give any prescribed or over-the-counter medication. Medications must be current, prescribed and designated for the camper and **all medications need to be brought to camp in original containers/packaging. The Health Coordinator cannot accept any medications in plastic bags or non-original packaging. This includes over-the-counter medications. Please only bring the number of pills needed for your camper's time at camp.** Please consider that summer camp is not a good time for your camper to 'take a break' from medications. The days are long, and activities often require focus and attention. A change to a camper's medication can impede their enjoyment and well-being at camp. Campers needing an inhaler, epi-pen or other emergency medicine may bring a second one to keep in the health center. The primary emergency medicines will stay with an adult who is with your child so that it is always within reach. Any camper with prescribed emergency medicines **MUST** have that medicine at camp. A nurse/health aide is on-site the entire week that your child is at camp.

Camp Store Snacks Included

All campers will receive 1 afternoon snack and 1 drink each day (Monday to Friday) included with the cost of camp. We have made this change to be a more equitable and inclusive camp community. For this reason, parents/guardians will not have the ability to load money on their camper's Campwise account for Summer Camp this year.

Camper Check-out & Camp Store

Camper check-out will occur at the Dining Hall at **4 PM the last day of your scheduled session**. A short closing program will help campers celebrate their week of camp and then formal check-out will occur. Campers must be signed out with a physical signature from a designated adult after showing a camp staff member a photo ID. The camp store will be open for merchandise sales only (no food) during camper check-out. You may pay with cash, check, or credit card. Parents/guardians will not have the ability to load money on their camper's Campwise account for Summer Camp this year. Please note that campers will not be fed Friday dinner this year due to the earlier check-out time.

2025 – There will be no camp on Friday, July 4th. All camps will dismiss on Thursday – July 3rd.
